

SPRING READING CHALLENGE

The Arthurdale Heritage community spring reading challenge will take place from April 1st and will end on April 30th.

During this month we are challenging adults and kids to read everyday. We want kids to aim **to read or be read to for 20 minutes each day**, and for adult participants **to read or listen to an audiobook for 30 minutes each day**.

Prizes will be awarded to child participants who read a total of 10 hours or more during the month and to adult participants who read a total of 15 or more.

Sign-ups should be emailed to Claire Tryon at claire@arthurdaleheritage.org or printed and turned in at the AHI office by April 1st. Reading logs are due on May 1st.

Winners will be contacted via phone or email and there will be an announcement on the Arthurdale Heritage Facebook page on May 2nd.
